

Dear Parent(s),

_____broke the following rules on _____

___Listen and follow directions quickly.

___Raise your hand before speaking or leaving your seat.

___Keep hands and feet to yourself.

___Respect others and their property.

Classroom rules must be followed in order to protect the rights of every student to learn and enjoy school. By choosing not to follow them, your child interfered with those rights.

As outlined in our classroom management plan, a student has three opportunities to correct their behavior *before* a letter is sent home. Receiving this letter denotes that your child broke the following rule several times. Please be aware that as detailed in our classroom management plan, if your child continues to choose to not abide by the rules then further repercussions are imminent.

Please acknowledge receiving this letter by signing your name at the bottom and having your child return it to me tomorrow.

Thank you for your support.

Respectfully,

Mrs. Waye
